EXAMPLE STORY

FAUX VS WATERWOLF

One day, Faux was lighting a campfire when a splash of water smogged it. There were no rivers nearby so it could only mean one thing... Waterwolf was back.

"Hey!" shouted Faux, only to get more water splashes.

Faux was furious. If the water hit his tail it was game over. He had to think quickly. Then he made a magma tornado. The tornado circled Waterwolf and blew up. But Waterwolf wasn't down. He shot an aqua spear. Faux dodged it easily. Then he set his tail on fire. Whack! Waterwolf was burned. Faux had saved the day again.
