

Who's Who? Royal Family Card Game

Instructions

This game requires two or more players.

1. Shuffle the Royal Family Cards.
2. One player picks a Royal Family Card.
3. Another player chooses a Category Card and reads out the name of the category on that card, such as interests.
4. The first player reads out the information in that category on their Royal Family Card.

*Where the information on the Category Card chosen does not appear on the first player's Royal Family Card, that Category Card is placed to the bottom of the pile by the second player and another Category Card is chosen.

5. If the second player can guess which member of the Royal Family it is from the information they have been told, they get to keep the Royal Family Card.
6. If they don't guess correctly, the next person chooses a Category Card. The first player reads that information and so on.
7. If no one guesses correctly, the first player keeps their Royal Family Card and it is the next person's turn to pick a Royal Family Card.
8. The winner is the person with the most Royal Family Cards at the end of the game.
